### School Trips

Students recently had the fantastic opportunity to visit the Amazon Fulfilment Centre, where they gained firsthand insight into the fascinating processes behind order fulfilment. They observed the advanced technology and logistics that keep operations running smoothly, while also learning about the diverse range of roles within the centre—from warehouse management to robotics. The trip was an overwhelming success, with students fully engaged showing great respect and courtesy to everyone we met. It was a valuable experience that

broadened their understanding of modern industries, sparking curiosity about potential career paths in the future.

### **Groupings**

As mentioned in the communication at the end of last week we are making some changes to groupings for next term to support preparation and transition for the following year. Where we are doing this, you will already have been contacted by your child's class teacher/ tutor. If you have not been contacted, you can assume that there is no change to your child's group.

However, if you have any questions, please do not hesitate to contact us at the school.

### **End of term celebration assembly**

Thank you to everyone who joined us today for our end of term assembly – it was great to celebrate the achievements of our fantastic young people!

### **End of Term Reports**

Thank you for the positive responses to the school reports that have been sent out this week. We have developed them in response to feedback from the parents and we hope you have found them informative.

Over Easter, WOLT are offering a range of activities for young people to be involved in. Please have a look at the attached flyers for more information.

### **School Money**

Just a reminder, if you have arrears on School Money, please ensure that these are cleared by the end of the Easter Holidays, as this is when the price increase will come into effect. If you need to discuss this with us, please email [reception@sail-academy.org](mailto:reception@sail-academy.org).

### **NUT FREE REMINDER**

We would like to remind you that we are **totally nut-free school**. We have both staff and students who are highly allergic to nuts and nut products. To keep them safe, please do not send your child into school with anything that contains nuts. If we see your child with nut products, we will have to confiscate and discard them.

Thank you for your cooperation.
