

## Parent Communication 08/05/2026

Dear Parents/ Carers,

We trust all parents and carers had a really good long weekend (at least until it rained a little bit on the Monday!) and spent some quality time doing the other things that make life special.

A big thanks to all our students who have been respectful of the “quiet please” and “examination in place” notices dotted around the school. We are incredibly proud of our KS4 students as they have taken their exams seriously and we are hopeful that they all get the grades their hard work has deserved.

### Safeguarding

We would like to make parents and carers aware that the school has recently seen an increase in the use of racial language. As a school, we are very conscious of the need to address this through education and open discussion, promoting the positive value of cultural diversity, respect and tolerance of different cultures and faiths. As a result, all PSHE lessons next week will focus on racism, including what racism is, the impact that racist language and behaviour can have on individuals and communities, the importance of equality and respect, and how students can challenge prejudice and be positive bystanders. We are committed to ensuring that our school is an inclusive and welcoming place for all races and cultures. We kindly ask that you also speak with your child about the importance of welcoming cultural diversity and that racism, in any form, is not accepted within our school community.

SUN SAFETY – please send your child with water, a sun hat and ensure that sun cream is applied before school if you know that they struggle in the sun. ALL PRIMARY pupils should have a sun hat to be kept in school please.

### Careers

We are always looking for ways to enrich our pupils' learning through real-world experiences. If you work in a setting that may be able to offer **work experience placements** or **workplace visits**, we would love to hear from you.

Please get in touch with the school office if you think you could help or would like more information.

Thank you for your continued support.
