Parent Communication 6.2.26

Dear Parents/ Carers,

I can't quite believe it but we only have 1 week left until the end of term 3, at which point we will officially be halfway through this academic year! This means that we have our usual end of term celebration assembly next Friday, where we hope to see as many of you as possible – details for this are set out below

End of Term Celebration Assembly & Parent/Carers Internet Safety workshop & Cafe

We are looking forward to seeing you all at the End of Term Celebration Assembly **next Friday 13th February**. For any parents/carers who have not been before - this is a wonderful opportunity each term to come into school; meet fellow parents/carers and our PTA members; have a coffee and cake; and of course, see your amazing children celebrate their progress and achievements.

- This term we are trying something new: **a pre-assembly Workshop**. In line with Children's Mental Health week and Internet Safety day, Charlotte Pullinger (Deputy Head Safeguarding Leader) and Caroline Morland (Ast Head Personal Development Leader) are running a **30 minute session for parents/carers at 12:30pm on Internet Safety**.
- The **Cafe opens at 13:05pm** and runs all afternoon until 14:20pm.
- **Primary Assembly is 13:20-13:40** and we encourage you to stay afterwards and have a coffee and cake whilst your children finish their day in class.
- **Secondary Assembly is 13:45-14:20**
- **Valentines Sweets can be purchased for £1** - please send your children in with cash.

PTA

The PTA will be running the cafes at on Friday 13th February and also at the Y9 Options Evening of the Thursday 12th Part of our role in PTA is to be Parent Wellbeing Ambassadors, and we would love it if you came and said hello to the PTA members at these events. Ask us about our parent/carer socials and support offers. Sometimes this is the offer of transport; a natter over coffee about being a parent/carer of a child with SEND; or even just to get some ideas about services on offer in the local area. We are looking for parent volunteers to help **fix several bikes** that were donated to the school ready for the pupils to use. If you think you can help with this on an evening or weekend please contact caroline.morland@sail-academy.org

The Great Maths Challenge

Perfect Numbers are rare! A number is perfect if its proper divisors sum to make the number itself. e.g. 6 is perfect because $1 + 2 + 3 = 6$

Number	Positive Factors	Sum of all factors excluding itself
1	1	0
2	1, 2	1
3	1, 3	1
4	1, 2, 4	3
5	1, 5	1
6	1, 2, 3, 6	6 Perfect!
7	1, 7	1
8	1, 2, 4, 8	7
9	1, 3, 9	4

This week - the challenge is simple: find the next perfect number.

Year 9 Options Evening

We're really pleased to be welcoming our Year 9 parents and carers to this year's Options Evening on **Thursday 12th February at 6:00pm**. This event marks an exciting

stage in preparing students for Key Stage 4, and we hope many families will join us to support their child's next steps.

The evening will be a great chance to discover the subjects available, speak with staff about what each course involves, and gain a clear understanding of the options process. It's always an informative and encouraging event, and we look forward to seeing a strong turnout.

We can't wait to welcome you on the night.
