

## MAY 2024 NEWSLETTER

### News update!

It has been great to see all pupils transition back full-time after the Easter holiday. Pupils are continuing to settle and improve as they adjust to their new routines and timetables. The majority of pupils' attendance levels have returned to normal: **please do ensure, and keep on encouraging, your child to attend school consistently!**

- \* Thank you to all those families who attended our family consultation evenings during this term – the engagement of this was very impressive, both remotely and in person.
- \* Our primary pupils have been learning about Stone Age to Iron Age in history and have enjoyed going swimming and WOLT as enrichment.
- \* Our secondary aged pupils have been learning about World War I, basic first aid and different parts of the United Kingdom. They have also been busy cooking in their weekly cooking lessons.
- \* Well done to our year 11 pupils who sat their first examinations this term, we are very proud of you.
- \* We look forward to pupils attending our first holiday provision of the year next week – thank you to Mrs Morland for helping organise this.

Enjoy the May half term holiday!

### Support, guidance and advice for our families
