

# Pupil voice

At SAIL, we believe all our pupils have a voice that should be heard. We care about what our pupils think and take time to listen to them. It allows us to share our ideas, beliefs and values and allows pupils the opportunity to become leaders and role models.

Pupil voice allows pupils to have engagement with many school aspects such as:

- safeguarding
- health and safety
- school building
- school expectations and routines
- fund raising
- curriculum
- staff recruitment
- trips
- rewards.

Every class has an elected pupil voice member who share their views at pupil voice meetings. Our pupil voice meetings happen on a termly basis and they meet with our SMSC and pupil voice lead. We also have a pupil voice display in school.

Our pupil voice nominations are run without prejudice or discrimination as any pupil can be nominated. We also rotate these throughout the year so that other pupils can be part of pupil voice.

Our current pupil voice members are:

Ami  
Max  
Harry  
Rosie  
Evan  
Tommy  
Theo  
Jack  
Hunter  
Toby
