

2025 updates to our uniform

We have consulted with parent, pupil and staff groups about updates to our uniform. We have added our vision statement to our logo and used the opportunity to make our uniform more suited to our neuro-diverse school community.

MOVING FORWARD: The **minimum uniform requirement for ALL pupils is a black SAIL branded shirt in your chosen style.** This is the only option now available from our suppliers for new orders once your child has outgrown their current shirt. Please note the sports style is only available up to age 13, not yet in adult sizes.
